

It's Easy

© 2007 Peoples Collective Publishing

I don't need fear
Just peace of mind
The trails of tears
The trying times

Can't be strong, well count on me
To carry on the legacy
The legacy

Search to find, a perfect one
The ties that bind, they come undone
And all I need it lived in you
So pleasure please, treat me too
Yeah treat me too

Chorus

*It's easy to offer to soothe
Those things I can't get from you
It's easy to capture the moon
Free thinking it brings it back to
It's easy, it's easy, it's easy, it's easy*

If you saw, what I've seen
Down the hall is eternity
Does it mean, holding to
A steady stream that's flowing through

Chorus

*It's easy to offer to soothe
Those things I can't get from you
It's easy to capture the moon
Free thinking it brings it back to
It's easy, It's easy, it's easy, it's easy*
